### ***Comprehensive Announces Expanding Line of HDMI Distribution Amplifiers and Switchers***

**South Hackensack, New Jersey: May, 2008**

Comprehensive is proud to announce the expansion of its line of HDMI Distribution Amplifiers and Switchers.

#### **Comprehensive® Brand HDMI Distribution Amplifiers**

The **CDA-HDMI20** and the **CDA-HDMI40** are the latest in HDMI Distribution Amplifiers from Comprehensive. These units are compact, high performance products designed to meet the most demanding requirements for the distribution of HDMI signals with HDCP copy protection. The CDA-HDMI20 provides transparent distribution of 1080p signals to two destinations and the CDA-HDMI40 provides four outputs.

#### **Features Include:**

- Distributes one input to 2 or 4 outputs
- 1080p Resolution
- Ability to mount in remote locations using supplied special mounting hardware
- Certified as HDMI compliant by Silicon Image's ATC test facility
- HDCP Compliant
- RoHS Compliant
- 2 Year Warranty

#### **Comprehensive® Brand HDMI Switchers**

The Comprehensive **CSW-HDMI210** and **CSW-HDMI410** are digital routing switchers that provide a fully tested and compliant way to switch between signals that use High Definition Multimedia Interface copy protection. HDTV resolutions of 480p, 720p, 1080i and 1080p are supported. These products maintain the signal components present within the encoded signal and allow the user to easily select program material without plugging and unplugging cables. The **CSW-HDMI210** offers two inputs while the **CSW-HDMI410** offers four and can both be controlled via the front panel or the included Infrared Remote Control. Optional IR extended range accessories are also available and RS-232 control is provided as a standard feature on both models. Alternatively, they can be mounted in a remote location using supplied special mounting hardware.

These units have been certified as being HDMI compliant by Silicon Image's ATC test facility and are also HDCP compliant. They are RoHS compliant and meet the appropriate FCC, CE, CSA and UL rules, regulations, guidelines and protocols.

**Features Include:**

- Supports HDTV resolutions of 480p, 720p, 1080i and 1080p
- Provides a fully tested and compliant way to switch between signals that use HDMI copy protection
- Switchers can be controlled via the front panel or the included Infrared Remote Control
- Can be mounted in a remote location using supplied special mounting hardware
- HDCP Compliant
- RoHS Compliant
- 2 Year Warranty
