### **COMPREHENSIVE ADDS ADDITIONAL SERIES OF PRO AUDIO CABLES**

***Touring/Performer Series Plus Standard Series Equals Cables For The Most Demanding Stage and Touring Environments!***

**South Hackensack, New Jersey: March, 2008**

Comprehensive, the leading manufacturer of premium cable and connectivity products, proudly announces the addition of its ***Touring and Performer Series Microphone and Instrument Cables*** to their line of Pro Audio Cables.

#### **Touring Series Microphone and Instrument Cables**

These audio cables are designed for the most demanding stage and touring environments. Specifically designed to withstand the use and abuse of life on the road, they are constructed with 20 AWG balanced center conductors and a heavy duty jacket. Comprehensive Touring Series cables are designed to be the "workhorses" of the music business and can stand up to the most demanding gigs, while delivering a perfect performance every time. 95 % shielding and Neutrik® XLR connectors provide superior signal integrity while an X-traFlex jacket ensures years of worry-free use.

#### **Features Include:**

- Large 20 AWG balanced conductors for improved signal transmission
- Heavy Duty Jacket for increased durability
- 95%Braided Shielded for excellent RFI rejection
- Lifetime Warranty

#### **Performer Series Microphones and Instrument Cables**

Whether rehearsing or on stage, Comprehensive Performer Series cables are designed for musicians and performers who demand the best. These audio cables feature low-noise construction utilizing a 24 gauge center conductor and 90% shielding, providing note for note audio reproduction. Our famous X-traFlex jacket provides reliable worry-free use, one performance after the next!

#### **Features Include:**

- 24 AWG balanced construction for accurate signal transmission
- XtraFlex black PVC jacket
- 90% Shield for excellent RFI rejection
- Lifetime Warranty
